**Reflection**  
 To be baptised is to be christened, That is, to be made like Christ. But this doesn't happen automatically, We have to grow into it. Towards the end of his life a saint was asked if he was a Christian, and he replied 'not yet'. Baptism is like the planting of a seed. It will take a lifetime for this seed to grow and ripen.

**Catholic School's Week - 26th Jan to 2nd February 2020**  
**Prayer of Pope Francis**  
 All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.

Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognise that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, Love and peace. Amen.

*God doesn't require us to succeed, he only requires that you try.*  
 -Mother Teresa
