St. Valentine's Weekend Reflection

The Story of the Ring

In a fair and far off land, many centuries ago, a young king was married to a princess he loved. So, together they lived happily until they learned one day that duties were for force the king to journey far away. One night before he left, as he walked through the palace grounds, he tossed into a moonlit pond some pebbles he found. As the lovely ripples widened from where the pebbles fell, the king stood thinking quietly of the wife he loved so well. And remembering on the next day the circles he had seen, he had a golden ring made to fit the finger of the queen. 'There's no ending or beginning to the circles of this band', the king said to his wife, as he slipped it on her hand, 'and that's why I have chosen this golden ring to be a pledge to you, my love will last through all eternity.' And so, since that day, a ring has been the symbol of the beauty of devotion and endlessness of love.

Blessing of Rings

Lord, we ask you to bless these rings. For each of us this endless band speaks of friendship, love and faithfulness. As we continue to wear these rings many they remind us of your never ending care and love of us and help us to continue to be loving in our living and in our giving. We ask this through Christ our Lord, Amen.
