Reflection

Lent is the Church's 'holy spring'.

It's a time of self-denial.

But it is also a time of joy,

because we are preparing for Easter.

Lord, help us to let go of old habits of sin,

And clothe us in newness of life,

So that when Easter comes,

We will feel young again in our discipleship.

Lent

Lent is an opportunity to examine our lifestyles and to think about our relationship with God's creation. As Catholic faith communities, let us embrace the challenge to care for our common home in these weeks, making small changes.

We can all do something: eliminate single-use plastics, fast from our cards, plant trees, bring a small group together to read Laudato Si, pray for our world leaders. Let this be a time of discerning our call to care more for this planet, our home. 'Truly much can be done'

(Laudato Si 180)
